## Porous Metals And Metallic Foams Metfoam 2007

**porous metals and metal foams made from powders** - porous metals and metal foams made from powders 33 into and sintered in a die. with packing densities broadly in the range of 40-60%, but affected by particle shape, size and vibration, the porosities in these structures are well **porous metals and metal foams made from powders** - porous metals and metal foams made from powders 33 into and sintered in a die. with packing densities broadly in the range of 40-60%, but affected by particle shape, size and vibration, the ... **numerical simulation of heat transfer in porous metals for ...** - topical collection: physical and numerical simulations of materials processing numerical simulation of heat transfer in porous metals for cooling applications **porous metals with directional pores - springer** - preface porous metallic materials such as foamed metals, sponge-like metals, structural cellular metals, metals with directional pores, and sintered metals are increasingly looked upon **development of porous aluminium by metal injection moulding** - metals, on the other hand, have been widely studied [e.g. 5], and the fabrication technique of lotus-type porous metals were also successfully developed by unidirectional pore formation in casting process [6]. **gkn sinter metals filters, application advantages** - gkn sinter metals filters, the leading manufacturer of porous sinter metal products, offers a variety of solutions to fulfil customer requirements. **porous metal design guidebook - spintek** - this article provides general information about porous sintered metals made from metal powders, describes methods of manufacture and includes information concerning design data and applications. **porous metals in orthopedics - rd.springer** - porous metals in orthopedics karel lietaert, ruben wauthle and jan schrooten abstract this chapter aims to bring the reader some knowledge about porous **surface modification of porous metals using friction phenomena** - surface modification of porous metals using friction phenomena yong-jai kwon<sup>1</sup>, ichinori shigematsu<sup>2</sup> and naobumi saito<sup>1</sup> school of materials science and engineering, university of ulsan, ulsan 680-749, korea
